OPENING GAME A DECISIVE VICTORY OVER ST. LAWRENCE

By Score of 17 to 5 Team Wins First Game of Season and Wipes off Defeat of Last Year. Coach Gives Eighteen Men Chance in Game. Show Good Form for First Appearance

Coach Chase's aggregation of ball players more than evened up for Hamilton's eleven inning defeat at the hands of St. Lawrence last year, when they drubbed the Northerners in the opening game of the Hamilton schedule last Friday afternoon to the tune of 17 to 5. The absence of a good twirler coupled with ragged fielding on the part of the visitors was responsible for their defeat. The result of the game was never in doubt after Millard Gow smashed his clean double in the opening stanza, for the Buff and Blue ball tossers romped around the bases almost at will for five innings, scoring ten tallies in the second inning alone.

The fact that the game was the first scheduled for Hamilton combined with poor physical condition of two of the Hamilton team no doubt was responsible for the weakness of the Hamilton infield. The outfield worked well, Turnbull's catch at the end of the opening inning being the most sensational fielding stunt of the day. The three catchers who worked for Hamilton did very well, not a single stolen base being credited off any of them. Art. Miller's peg to Griffith when he caught Gardner stealing in the second inning discouraged further attempts at bag pilfering on the part of Hamilton's guests.

In the whole game Coach Chase sent in eighteen members of his squad. Royce pitched for seven innings and did well, although three runs were scored by the visitors in the third. Ogden relieved the Hamilton captain in the seventh and pitched air-tight ball for the remainder of the game. The score in detail is as follows:

First inning, Hamilton. M. Gow doubled to left. Griffith sacrificed, Gow taking third. McLouth singled, scoring Gow. Rothensies lofted to left. Ogden flew to McDonald. One run.

St. Lawrence. Lafferty fanned. Calder singled to centre, and Roundy was safe when his bunt got by Royce.. Veenker fanned. Turnbull ended the inning by a magnificent catch of Griffin's short fly to centre. No runs.

Second a Slaughter.

Second Inning. Hamilton. Erhardt was safe on Veenker's error. Turnbull bounced the ball off Peet's chest, Erhardt going to third. A. Miller was safe on a fielder's choice on which Erhardt scored, Turnbull taking third and Miller second on the play to the plate. Royce singled to left scoring Turnbull and Miller, Royce taking second on the throw in. M. Gow walked. Griffith singled to right scoring Covert, who was running for Royce, but Gow was held at third. Gow scored on an error by Lafferty which gave McLouth a life at first. McLouth started to steal second but the catcher's throw was cut off by Veenker who caught Griffith at third by a quick throw to Lafferty. On Veenker's error Rothensies was safe. P. Fulton ran for Rothensies. Fulton started to steal second and Roundy's throw was wild, allowing both McLouth and Fulton to score. Ogden walked, and Erhardt up for the second time that inning, waited until ''Jug'' had stolen second and then uncorked a single to centre, scoring Ogden. Erhardt took third on Turnbull's out at first, Lafferty to Griffin. A. Miller walked and stole second, scoring on an error which put Royce on first

BOOK READY FOR PRINTER.

Hamiltonian to be Larger than Usual. Drawings a Feature.

Editor-in-Chief Marsh of the 1914 Hamiltonian went over the entire book for a final revision last Thursday evening with other members of the Board, and it was pronounced ready for the printer. Only the last few pages and some of the cuts which are to be scattered through the volume in full page groups, still remain to be sent to the press.

This year's book will be at least a form larger than the last Hamiltonian and will make a feature of the drawings. There will be a decorative heading for each page. The order of the various departments of the book has been changed somewhat from that of previous years. An account of the Centennial Commencement will be featured and as usual there will be a large number of photographs, some of which it is thought will cause considerable surprise and admiration for the staff photographer's ingenuity.

Owing to the large demand for leather bound books, a hundred will be bound in that fashion and the remainder of the edition, which will be very limited, in cloth. A special grade of India-tinted paper will be used. Those wishing to change their orders for books should confer with Manager Gates.

HOBART LOSES.

St. Lawrence won from Hobart in an eleven inning game at Geneva Saturday by the score of 10 to 9. The game was slow from start to finish, taking over three hours to play. Brooks of Hobart passed ten men, and his team made twelve errors. He allowed six hits and struck out nine men. Gardner pitched for St. Lawrence.

PRESS CLUB CONSIDERS FORMAL DISSOLUTION

Feels That Publicity Committee in Hiring Men to do its Work Has Displaced it. Matter Pending.

As a result of a conference with the secretary of the Publicity Committee, Prof. Lewis, the Press Association of the College is seriously considering dissolution and self-extinction. The ground for their impending action is that the Publicity Committee, by hiring a paid assistant to do the work which the Press Association has been doing, has taken away the reason for its existence.

The Publicity Committee had intended, from the very moment of its organization last November, to co-operate with the College Press Association, finance it, broaden its work, and strengthen it in every way. This was the avowed purpose of the Committee, some of whose members were instrumental in the founding of the Association in 1909, and have been interested in its work ever since. The matter was referred to Prof. Lewis as secretary and he made two attempts to effect a meeting with the members of the Association to discuss plans for co-operation. Unsuccessful in this, he reported to the Committee and it was decided to hire an undergraduate to do the work which it had been planned the Association should do, and which it was doing, although not in co-operation with the Committee.

When the Association elected its new officers and members and set about reorganizing, it was met with the fact that its work, or the greater part of it, was already being done by the paid assistant of the Committee. A temporary compromise was effected by electing this assistant, who was a Senior, as a member of the Association. A little later Prof. Lewis, in making his plans for the coming year, engaged the services of another undergraduate, a Freshman, to do the press work of the Commit-

EDITORIAL.

A Good Start.

Friday's victory over St. Lawrence was a very pleasing start of what—with fingers crossed and a block of wood handy—the College looks to be a successful season. The outcome was doubly sweet when connected with the memory of last year's opener, lost to St. Lawrence in the eleventh inning by a score of 4 to 2.

The game showed several things, one (and perhaps the most important) that the men can find the ball. Of course it is impossible to compare the hitting in Friday's game to that of a year ago, because of the difference in pitchers. Sweet, who pitched for St. Lawrence last year, had worked as a recruit in one of the Major Leagues, and he had a way of retiring the side whenever things began to get too dangerous. Four hits were all he allowed in the eleven innings. The fact remains, however, that the boys got to the ball Friday with a regularity and determination that bodes well for the future. The men showed more than ordinary intelligence in the game also, especially on bases, if we allow one or two exceptions. They show the effects of consistent coaching. It is worthy of notice that almost every man on the squad had a chance in the game, so the coach had an excellent opportunity of comparing the relative merits of the candidates before the first trip.

The last of this week the team will take a two days trip to play Hobart and Rochester on their fields. From these two games away from home the College will be able to make the first sound judgment of what the team is going to amount to. Two-fifths of the schedule is comprised of the games with these teams. Nothing less than two victories is what the College asks for this week.

* * *

To the Department.

The game last Friday showed another thing not listed above. That is that the baseball diamond, the infield, is in very poor condition. How much it can be improved by the facilities at hand is doubtful, but surely continual rolling would improve it, and now that the D. T. novitiates have been tapped there need be no want of willing labor to perform this most meritorious task. D. T. has unquestionably a place to fill in College life, but no one would think of confining that place to a pajama "peerade" before the grandstand on days of baseball games. The absence of the team the latter part of this week offers an excellent opportunity for getting the field in shape before the next home game.

* * *

Training.

The announcement was made last week of the unfortunate incident of three men having to be dropped from the Track squad because of their failure to observe the training rules set down by the coach. The fact that the men were strong candidates for the team, although it made the necessity of the action the more regrettable from the standpoint of the College, could make no difference in the decision of the coach. He has said that he will have the training rules enforced if there is only one man left on the team to compete.

Mr. Chase, Director of Athletics and coach of the Baseball team, affirms emphatically that the same course will be followed in his department. The College can not fail to endorse these men in their stand.

Since the last Football season the College has talked "training" until it is blue in the face. Those who had studied the subject seemed to agree that a lack of proper training constituted a fundamental weakness in our system of athletics, that it was a largely contributing cause in the failure of the teams to live up to what was expected of them. A College dinner and smoker was practically given over to a discussion of the subject, and that but a few weeks ago. It hardly seems as if it would have been necessary to revive the subject so soon, but it has been, and not only on account of the three men who were punished, but also on account of the men who are not keeping strict training and are going unpunished, perhaps because undiscovered, perhaps because their offenses have been so light as not to seem to merit drastic action as yet.

Beginning this week, both the Track and Baseball seasons are on in full swing. The teams are practically picked and any enforced change means a blow to the team, and consequently to the College. **Any man who enforces such a change, as he surely must do by breaking training, is a traitor to his College and deserves to be branded as such.** If his break goes undiscovered, while he may retain his position on the team, he is none the less a traitor, for he weakens the team in weakening himself. Those who are interested in the athletics of Hamilton College may as well learn, as some—but too few—have come to realize, that training, real training, has got to be taken seriously, by the College at large as well as by the actual members of the teams, or that athletics may as well be dropped from the serious considerations on the Hill.

* * *

Press Club Situation.

The Publicity Committee should take immediate action to prevent the threatening dissolution of the undergraduate Press Association. That the Association was at fault in not responding to the first overtures of the Committee is evident, but it is probable that the Association as a whole was not aware of the situation at the time. At present it is a very live organization with a very earnest desire to aid the College Publicity Committee to the fullest extent of its power. It has done a splendid work in the past, long before the Publicity Committee was thought of, and it has done this work with little recognition, even from the undergraduate portion of the College, financing itself from the sale of calendars each year.

There is no doubt but that this spontaneous but at the same time systematic advertising on the part of a group of undergraduates is one of the most effective kinds of advertising the College can have. The fact is recognized in most of the important colleges and universities of the country, and their press associations are considered among the most important undergraduate organizations. **Life** cannot but regard it as a step backward—and just at the time when the greatest effort is being made to push forward—for the Press Club to become extinct as an undergraduate activity of Hamilton College. It is hard to believe that one undergraduate in the pay of the Publicity Committee can do the work, and do it as effectively, which a club of six or eight men would do.

* * *

Rushing.

Now that the fine, balmy days of Spring have come, the kind that we begin to tell the Freshmen about in September, because they show up the Hill and the College at its best and happiest, now is the time when the different crowds can do more to get men to come to Hamilton than the Publicity Committee, the new Bulletin, the Million-Dollar Endowment-to-be, or even Prex. It is an easy matter to entertain a sub-Freshman at this time of year, what with baseball games, track meets, dances and tennis, and there are few places which can appeal as strongly to the average prep. school lad as Hamilton Colelge in the spring of the year with three or four Hamilton men to call attention to its entertaining features.

More or less of this spontaneous entertaining of possible students is done every year by the crowds in the way of rushing. It is unquestionably effective, and it could be increased in amount by several hundred per cent. without any great inconvenience. Interscholastic Week is the only time that any great effort in this direction is made and that could hardly be called spontaneous. Perhaps too little effort is made even to have it appear so to the guests. But there are many men within easy reach of the College and with whom the various crowds are corresponding, who might, if sufficiently urged, be induced to make a visit to the Hill this spring. Now is the time to make sure of them. Another college, or at best another crowd, may claim them if left until next fall.

APPOINTMENTS MADE FOR SENIOR EXERCISES

Executive Council of 1913 Arranges Programs for Campus and Class Day.

The Senior Executive Council met on Wednesday evening at the Psi U. House and according to instructions given by the class chose men for the Class Day and Campus Day programs. The Campus Day exercises will be merged with those of Class Day and follow immediately after them. They take place on Friday of Commencement Week in the Chapel.

The sub-committee of the Council, consisting of Wheelock, Fear and Clark, have placed the order for Commencement programs and invitations with the Elliott Publishing Co., of Philadelphia. The program will be in dark leather with an artistic arrangement of the College seal and class numerals. There will be ten pages which will include the invitation, program of the week, class officers, roll of the class and roll of ex-members. If possible the committee will have a suitable steel engraving inserted in the program.

The men chosen for the Class Day program were as follows: Class Orator, Charles D. Wheelock; Historian, Edwin H. Simonds; Poet, Joseph P. D. Hull; Prophet, Walter E. Peck.

The Campus Day speakers were chosen as follows: Ivy Orator, Caldwell Thompson; Junior Response, Thomas H. Lee, Jr.; Sophomore Response, Dudley B. Kimball; Freshman Response, Geoffrey Ogilvie.

The Marshall of the Class of 1913 will be Erskine R. Myer. Cross, Kultchar and Stone were appointed on the Presentation Committee.

PHI BETA KAPPA ELECTS

The final elections to Phi Beta Kappa from the class of 1913 took place Thursday and the men were initiated yesterday afternoon. The men awarded keys were: Ingersoll, Lyon, Smith, Stone, Stratton, making nine in all, including the four who were elected last fall, an exact quarter of the class.

Seniors Ready To Go Into Harness

Contrary to the opinion sometimes heard, that college Seniors seldom know what they are going to do next, practically all of the Senior Class have already picked out their berths for next winter. Teaching will claim the largest number of men, while law and medicine come next. Among the disciples of pedagogy will be Groves, Stratton, Wheelock, Casey, Forrest, Hughes, Hull, Wassung and Peck. "Walt" Peck will rule as Principal of Boonville High School, while Wassung is to grace the Faculty of Albion High.

The embryo lawyers are Wenigmann, Davis, Griswold, who will study at Harvard, and probably Myer and Shaul. Blackmar has decided to take a year's rest from his scholastic labors before starting his law studies.

Clark, Fear, Mahady and Taylor intend to study medicine at Johns Hopkins, and Hahn at Mt. Airy Seminary. Lyon has secured a position with the New York Times, and Batchelor will be with the New York Sun.

Barber will enter the employ of the Butterick Pattern Company, Gould of the Gould Pump Company, Ingersoll the Library Bureau Company, of New York, Kultchar, the Independent Button Company, and Roberts the Standard Oil Company of New York. Smith will hold a position in the O. & W. offices. Porter intends to go into the automobile business in Detroit and "Web" True the lumber business in Chicago, while Cross is going to start working in Johnstown.

"Don" Stone will take a position out West, and "Cal" Thompson will run the farm for a year before going into business. North will be enrolled at Boston Tech. and Charles Thompson at Princeton Seminary.

Let's see, that accounts for everybody but "Doc" Simonds. Well, "Doc" treasures a hope of taking up journalism, but he can't quite make up his mind to give up the simple life, and next year may yet find him in Carthage a-fishing.

SPEAKERS CHOSEN FOR INTERSCHOLASTIC WEEK

Preliminary Contests Held at Yonkers, Albany, Binghamton and Clinton. Utica This Week.

Three of the preliminary Declamation Contests, conducted under the auspices of the Alumni Association, were held last week at Albany, Binghamton and Clinton. A fourth was held the week before at Yonkers.

The contest at Yonkers was held in Library Hall. Paul Jennings, of the New Rochelle High School, presenting Woodrow Wilson's "Inaugural Address," received the first award. Clinton Nelson, of the Nyack High School, speaking on "The Southern Negro," received the second prize. Through a misunderstanding only two speakers were chosen and consequently no alternate has been appointed Judge Norman F. Marsh, '85, presided. The judges were George H. Minor, '90, Lloyd P. Stryker, '06, and Russell L. Engs, '10.

The contest at Albany was held last Friday night in the Auditorium of the Albany High School. The first place was awarded to Frank Delaney, of the Albany High School, who took for his subject "The Volunteer Soldier." Matthew H. Farnum, of the Schenectady High School, speaking on "Labor and Politics," was awarded the second place. William Riseley, of the Kingston Academy, presenting a "Plea for Cuba," was appointed alternate. Prof. C. L. Lewis presided. The judges were Dewey H. Carter, '04, Merwyn H. Nellis, '06, and Charles D. Wheelock, '13. The first and second prizes in these two contests were twenty and ten dollars, respectively.

The Clinton contest, which was held last Friday night at the High School auditorium, was preliminary to the one to be held at the Utica Free Academy this week Friday. The speaking was excellent and evenly matched. On the first ballot each of the three judges named a different man but finally decided to give the first place to John C. Jones, who spoke on 'The Burdens of War.' The Rev. Charles M. Dodge presided. The judges were Rev. Charles M. Dodge, '91, William F. Dowling, '04, Salmon S. Judson, '06.

Walter Cowan, of Hobart High School, in Delaware County, and Byron G. Culver, of Albion High School, the winning speakers of their districts, have been sent complimentary invitations to the Interscholastic Week contest on the Hill.

SPEAKERS AT Y. M. C. A.

Mr. Clarence Lyman, Advertising Manager of the International Heater Co., of Utica, spoke at the Y. M. C. A. meeting last Sunday evening on "The Christian Business Man." At the outset Mr. Lyman said, "One thing that I want to emphasize very strongly is that the control of business is in the hands of Christian men. Many business men are thinking Christians though they seldom wear their thoughts on their sleeves." He illustrated this by using Mr. Morgan as an example and said that probably nothing, written or spoken, had made such an impression upon the business world in a long time as the preamble to Mr. Morgan's will which was recently quoted by all the larger newspapers in the country.

Next Sunday afternoon Rev. E. B. Turner, once a varsity football player at Princeton and later a missionary to the Hawaiian Islands, will speak in Silliman Hall.

PRESS CLUB CONSIDERS FORMAL DISSOLUTION.

(Continued from page 1)

tee for an indefinite period of time in the future.

This was the situation when the Press Association, beginning to realize that it was being displaced, submitted a proposition to the Committee at the latter's recent meeting. This proposition called attention to the facts of the case and asked that the Committee take up the matter and decide whether it wished for the co-operation of the Press Club. The matter was referred to Prof. Lewis to deal with as he saw fit. He arranged a conference with the members of the Club, stated his position in the matter, and gave them the choice of working as subordinates of the Committee's assistant or of taking sole charge of a very limited part of the work. The Association was not willing to accept either of these alternatives, judging that neither offered a field broad enough or dignified enough to warrant its existence.

At present the matter is pending. It is thought by members of the Press Club that when the whole significance of the matter is realized by the entire Committee some steps may be taken to insure the work of the Club and prevent its dissolution.

PREP LEAGUES GOING.

The County Baseball Leagues organized by Coach Daniel Chase are now going in full swing and are proving a great success. In the Oneida County League four games have been played and the standing is now as follows:

	W	L	PC
Utica	2	0	1,000
Oneida	2	1	.666
Camden	0	2	.000
Rome	0	1	.000

On Wednesday U. F. A. played at Camden, winning 4 to 1, and at Oneida the home team beat Rome 11 to 8.

Results of Saturday's game:

	R	H	E
Oneida H. S.	13	18	2
Camden H. S.	1	3	11

The Delaware County League has been split up into two divisions, eastern and western, each containing four teams. The winning teams of these divisions will play for the privilege of taking the trip to Clinton as county champions. The present standing in the eastern division is an follows:

	W	L	PC
Margaretville	2	0	1,000
Hobart	1	0	1,000
Griffins Corners	0	1	.000
Stamford	0	2	.000

The Wayne County League has been organized and has begun playing. It is in charge of Principal R. W. Swetman, of Palmyra.

The Class B schedule was begun Saturday, when Vernon played New Hartford. The score: Vernon 17, New Hartford 33. Ilion beat Clinton in a practice game 9 to 4. The Clinton team plays at Vernon this Saturday.

In almost every case the work of the umpires chosen by Coach Chase is proving very satisfactory. Paul Williams, '08, former sporting editor of the Utica Press, who was chosen by the principals as official adjuster of disputes, did not allow Oneida's protest of the Utica-Oneida game of April 25, which Batchelor umpired.

Mr. Welch, of Welch's Livery, announces that the price of a hack up the Hill will be $1.00 and of a single rig 50c., a reduction from former prices of 50 per cent.

OPENING GAME A DECISIVE VICTORY OVER ST. LAWRENCE

(Continued from page 1)

base, and allowed Erhardt and Miller to score. Covert, running for Royce, was safe at second when Calder dropped Roundy's good peg to catch him stealing, but M. Gow ended the carnage with a fly to Roop. Ten runs.

St. Lawrence. Gardner was safe when Royce missed his sky-scraper. Roop fanned. McDonald fanned and on the thrird strike Gardner attempted to steal but was caught by a yard on Miller's quick throw to Griffith, compltеing the double play. No runs.

Third inning. Hamilton. Roop pitching for St. Lawrence, walked Griffith and McLouth. Rothensies sacrificed. On an error by Griffin, Ogden was safe at first, Griffith and McLouth scoring. Ogden stole second. Erhardt fanned. Turnbull walked and stole second without the slightest hesitation while Roop stood in the box holding the ball. Miller doubled to centre, scoring Ogden and Turnbull, Royce walked, but M. Gow ended the inning with a fly to Peet in right field. Four runs.

St. Lawrence. Peet was thrown out at first by Royce. Lafferty doubled to left, Calder walked, and the runners moved up on a wild pitch. Roundy singled to short left, but on fast fielding by Gow, Calder was held at third, Lafferty scoring. Roundy stole second. Venker worked the squeeze play with Calder, and McLouth's throw home got by A. Miller, so that Roundy also attempted to score. Royce, who had backed up the Hamilton catcher, however, beat him to the plate and Roundy was out. Griffin singled to centre and Miller erred on Turnbull's good heave to catch Veenker at the plate, Veenker scoring. Gardner ended the inning when Royce threw him out at first. Three runs.

Hamilton added one more in the fourth. After Veenker had thrown Griffith out at first and McLouth had fanned, Rothensies got a base on balls. Our friend Ogden then came to the front again, this time with a red-hot triple to the tennis courts, scoring Fulton for Rothensies. Ogden attempted to stretch his hit to a four-bagger but was caught at the plate, Gardner to Calder to Roundy. In their half of the inning St. Lawrence got a man on base when McDonald singled after Roop had popped to Rothensies, but Royce tightened up and fanned Clements and Lafferty.

Final Scoring.

Hamilton's final run came in the fifth. With two down, A. Miller drew a pedestrian's ticket. Followed singles by Royce and M. Gow, on which Miller scored. Griffith ended the stanza with a fly to Roop.

In their half of the fifth, the visitors added one as follows: After Calder and Roundy had fanned, McLouth's error put Veenker on first. He was safe at third when "Cheese" mussed up Griffin's grounder and threw to Erhardt. Veenker attempted to score and was safe at home on a close play Erhardt to Miller, but the side was retired when Miller snapped the ball to Griffith and caught Griffin stealing. The last run of the game came in the next inning. Gardner, first up for St. Lawrence, hit one of Royce's slants for a three-bagger to left. Gardner languished on third while Roop lined to Erhardt and McLouth threw McDonald out at first, but a single by pitcher Clements finally scored him. That ended the tallying for the day, as Lafferty went out by the Rothensies-Erhardt route.

TRACK TEAM TO MEET ROCHESTER SATURDAY

Trials Held Last Thursday Show Many Signs of Promise in Squad. Close Contest is Expected.

Last Thursday afternoon Coach Risley put the Track squad through a competitive practice involving all the events on the N. Y. S. I. A. U. schedule for track meets. The men showed marked improvement over their first week's form and while there were no startling performances, several bright spots mark the summary of events. On the other hand the team's weaknesses may be seen by glancing at the summaries below. They are numerous enough. The summary of events is as follows:

100 yards, 1st Heat. Robinson, Mowris. 10 4-5s.

2nd Heat. Robson, Waterman. 11 2-5s.

3rd Heat. F. Lee. 10 4-5s.

210 yards. Robinson, Mowris. 22 3-5s.

440 yards. F. Lee, Hahn, Davis, '13. 54 1-5s.

880 yards. T. Lee, Hahn, Ingersoll. 2m 13s.

Mile Run. Nichols, Prescott, P. Stone. 5m. 12s.

Two Mile Run. Keddy, Mattoon. 10m. 57s.

120 High Hurdles. Leavenworth, T. Jessup. 17 1-5s.

220 Low Hurdles. Robson, Clark. 29 1-5s.

High Jump. Banks, Callahan. 5ft. 6 3-4 in.

Broad Jump. F. Lee, Dayton, Banks. 19 ft. 6 in.

Pole Vault. Bushnell, Clapp (tied) 9 ft. 4 in.

Hammer Throw. Jessup, Caldwell Thompson. 119 ft. 2 in.

Shot Put. Jessup, Caldwell Thompson. 36 ft. 2 in.

Saturday afternoon F. Lee ran the 100 yards in 10 3-5 sec., with Potter six inches behind him at the finish. Potter also went 212 yards in 22 2-5s.

This Saturday on Steuben Field the team will meet Rochester in a dual meet. Two years ago Hamilton met Rochester in the latter's gymnasium and were beaten, but this is the first time in several years that the two colleges will have met in an out-door dual meet. With the hard practice of the past few days and some more to come, the Coach hopes to round out the team to the extent necessary to beat Rochester on Saturday. Robinson, Potter, F. Lee and Mowris should take good care of the sprints, where Rochester, although it reports a Freshman phenom in Wall, has lost both Scott and Wickman, who have taken points away from us in the past.

Rochester has Kuhnert in the 440, but F. Lee, Davis, Hahn and Shaul will make him step lively to get away with that event. Captain Rugg, report has it, is running the mile and half-mile as well as ever. He is almost sure to win the former but he will have strong competition in the half-mile The two-mile run is doubtful; the home team is weak in the hurdles, but should make up for that in the field events. Jessup, Thompson, LaForce and Eddy will take at least thirteen points in the weights, while Banks should beat out Gucker in the High Jump. Rochester has one good pole vaulter and will probably win this event, while F. Lee, Dayton and Banks will take their share of the points in the Broad Jump. The meet will be a close one but the coach and captain are optimistic.

Manager Bristol announces the following officials for the meet:

Starter, A. Wheeler, Albany Medical College; Referee, J. A. Evans, Williams College; Scorer, Brown, '14; Clerk of Course, Bristol, '14; Announcer, Dieterlin, '15; Timers and Judges, Don Risley, Colgate; Professors A. P. Saunders, Wood and Ristine; Cody, '08, and Knox, '12.

ALPHA DELTS WIN.

Yesterday afternoon Alpha Delta Phi won from Theta Delta Chi by a score of 11 to 8. The contest was scheduled to go five innings but had to be prolonged to eight. Higgins' triple started the Alpha Delt rally. Weaver tossed for the winners and Crothers for the Theta Delts. Kultchar umpired.

Owing to conventions, geology trips and other interferences the first games of the Interfraternity series could not be played last Saturday. As a result, Theta Delta Chi and Alpha Delta Phi postponed their game to Monday and Delta Upsilon and E. L. S. are scheduled to meet this afternoon at 5 o'clock.

Several times "Pills" has been awakened shortly after seven by the sounds of surreptitious practices, and the **Life** reporter who lives in that end of Carnegie opines there's several people who want that cup pretty bad and are going to try hard to get it. "Phee" LaForce is working out daily and has admitted confidentially that his arm is in great shape. Porter is slowly getting back the pounds of energy that he spent in debating and promises to have his arm in shape to lead the Psi U. boys on to victory. Altogether it looks as though there would be some close and exciting games played around here this coming week.

FRESHMEN WIN THIRD

On Saturday the Freshman team played Utica Free Academy on the Academy grounds and beat the Uticans by the score of 18 to 1. Crothers pitched fine ball, letting only sixteen men up in five innings. Fulton and Daniels also did good work. The batting of the whole team was good, Rothensies leading with two doubles and a single out of four times at bat. Covert and M. Gow also got three hits each.

The score by innings:

										R	H	E
Freshmen:	3	3	0	0	1	4	3	4	0-	18	16	4
U. F. A.:	.0	0	0	0	0	0	0	1	0-	1	4	5

PRIZE STABS

The Junior Prize Declamation trials are to held this Saturday. The men eligible are Booth, Brown, Carmer, Dayton, Cole, Felt, Lee, Ogden, Pohl, Regin. No Sophomore trials will be held. The Freshman trials will be held May 14, the last Wednesday Chapel of the year.

ORGAN MUSIC.

Organist Goodenough, '15, has arranged the following program of Organ Music for next week: Tuesday, "Traumerei," Schumann; Wednesday, "Salut D'Amour," Elgar; Thursday, "Largo," Haendal; Friday, "Serenade," Schubert; Saturday, "Consolation," Steane; Monday, "Reverie," Meyer-Helmund.
